STUDENTS HAVE PICTURES TAKEN FOR TRIBUNE FEATURE

The students of the Junior and Senior classes of the Eagle Point High school journeyed to Medford last Thursday afternoon to have their pictures taken at the Kennel-Ellis Studio.

The pictures were taken without cost through the courtesy of the Medford Mail Tribune that is featuring the Junior and Senior Students of the secondary high schools in the spring.

Mr. Davies took the students to Medford. Some had already been in previously and had their picture taken.

HIGH SCHOOL PARTY TO BE GIVEN FRIDAY NIGHT

The party that was to be given by the losing team in the Eagle's Quill subscription contest and the party to be given the winning team in the Curtis Publishing Company contest have been merged into one party, to be given Friday, March 4, in the Grange hall.

Some Indian war dances, or good imitations of the same, will probably be given as part of the entertainment furnished by the losing team of the latter contest.

It is expected that Mr. Davies will do the medicine dance, as he was the medicine man for both teams.

After the party refreshments will be served.

HOT LUNCHES SERVED BY P. T. A. DISCONTINUED

The hot lunches that have been of so much benefit to the children during the cold weather were discontinued by the P. T. A. last Friday.

These hot lunches were served by members of the P. T. A., and were given to the children at a small price. A dish of hot soup or chocolate along with their regular lunch helped the children very much during the cold weather.

JUNIOR HIGH PLANTS WASHINGTON MEMORIAL

The Junior High planted a North Caroline popular as a monument for the bi-centenary of Washington's birthday, Wednesday, March 2.

Last year the Civics Club planted nine trees along Hamilton Avenue by the school house. Three of these trees died and this year the Civics Club replaced two of them and the Junior High the other.

LOCAL STORE REMODELED

Faber and Company have completed a rearrangement of the interior of their Eagle Point store. Lawrence Winslow, proprietor, reports that he has spent much diligent effort on the task.

An added feature of the store is the large stock of feeds and grain to be carried.

REPORT CARDS ISSUED

The first issue of report cards for this semester was put out last Tuesday. There were a few incompletes but most of the grades were better than usual. There will be only two more issues in this semester which will end the year.

SCHOOL GROUNDS IMPROVED

The road in front of the school house was widened to the extent of about twenty feet by the county grader last week.

This enables cars to turn around without driving on the walks or grounds. Before this work was done cars could be seen parking on the walk, or driving across the muddy yard during the rainy weather.

SAMS VALLEY WINS SECOND
DIVISION CHAMPIONSHIP

In an afternoon workout at the Medford Junior High gymnasium, the local boys managed to drop a practice game to the Junior High boys by a good safe margin, the final score being 27 to 12.

Henderson opened the game with almost a complete line of substitutes who were unable to collect enough points to place them in the lead. At the end of the first quarter several first string men were run in, and from that time on the Eagle Point boys were left a little in the rear.

The game was marked by good humor, and seemed to be a riot of fun and laughter from some unknown reason.

Ashpole was absent from the local lineup because of a bad cold. Schreffel, of Medford, replaced the game.

E. P. GIRLS VICTORIOUS
OVER JACKSONVILLE

The Eagle Point girls romped all over the Jacksonville girls last Friday night on the local floor in the most one-sided game the home girls have played this year.

The local girls took the lead in the first quarter and kept it throughout the game.

The final score was 44 to 6 in Eagle Point's favor.

The local boys played a tight game with the Jacksonville boys but lost the game by a close margin. The Eagle Point boys were in the lead until the last half when the Jacksonville carpers gained a point on the home team and by victorious playing managed to keep on the top throughout the last half.

The score at the end of the game was in Jacksonville's favor, 22 to 19.

The Sams Valley boys and girls basketball teams took the championship of the second division schools and gained the privilege of playing Phoenix, holding the title to the first division, for the valley championship.
